PROFILE

I am a highly motivated creative person with a passion for Film and Television production. I'm looking to take the experience I have gained from university and go into a career that allows me to use my current professional and creative skills to expand my experiences and current skillset.

WORK EXPERIENCE

Freelance - Camera Operator

Archbishop Q&A 12th Sep 2023 - 12th Sep 2023

University Of Cumbria

- In my role as camera operator, I ensured the secure installation of camera cables to safeguard the health and safety of both the public and production crew.
- Managed continuous operation of a Canon C100 Mark II throughout the event while maintaining a keen eye for detail and readiness to adjust the shot as per the vision mixer's instructions.

Freelance - Camera Operator

Christmas Carol Advert 17th Nov 2022 - 17th Nov 2022

University Of Cumbria

- Maintained a keen eye for detail during filming, promptly identifying any issues with shots and conveying them to the producer for potential retakes.
- I arrived early on set to set up the camera equipment, ensuring readiness on the day for the first shot.

Freelance - Video Editor

Finn Drude - Youtube Shorts 10th Aug 2022 - 11th Sep 2022

- I developed shorts in Final Cut Pro X and Adobe Premiere Pro 2021 Sourcing and building a library of clips from previous streams & music with a commercial YouTube licence.
- Researching existing short materials online and editing techniques. Liaising with client regarding editorial, feedback and distribution.
- I developed a Microsoft Excel spreadsheet to manage progress and development of individual clips to show progress of editing and distribution
